I would like to be added as creditor of GMAC mortgage not be listed as a debtor.

It has recently come to my attention that I have been paying GMAC for 6 years. They supposedly purchased my mortgage from Choice Capital Funding, however Choice Capital Filed Bankruptcy in GA . Choice Capital released my mortgage in late 2007 or early 2008. I am filing a claim for \$80,000.00 GMAC Has never filed assignment or a mortgage against my property.

Sincerely,

  
William Pelfrey
